The Stick Bag Buddy

The handy way of always being on top of your band rehearsal and individual practice time.

Stick Bag Buddy Session Rhythms

Are provided as prompting and helpful hints when rehearsing with your band. You know we all have off days, so when someone in the band says "give me a funk groove" etc you've got Stick bag Buddy session rhythms to help you overcome any unwanted memory loss. Stay cool with the Stick Bag Buddy!

Stick Bag Buddy 123&4 Beat Fills

A healthy selection of drum fills to be played in your own style of groove.

Stick Bag Buddy Rudiments

Pre-rehearsal gig warm ups always stay on top of your coordination exercises. Work on incorporating rudiments into drum fills and rhythms, stay disciplined. Go into gigs/sessions relaxed and cramp free.

Stick Bag Buddy Musical Terms

A drummer is a musician and part of a team when playing within a band, not an individual. When reading drum scores within band arrangements, it is important that the band works together. Learning your musical terms will help. Get dynamic with Stick Bag Buddy.
